

Trait of Conventions— Sing to Cee Lo Green's "Forget You"

I see I made an error there on my rough draft.
And I will, correct you! Ooh, Ooh, Ooh!
I guess I missed a comma and a question mark.
So I will, correct you! Ooh, Ooh, Ooh!

Oopsies, I didn't spell that word right,
but that don't mean I can't fix it.
I'll use correct grammar to make my draft better.
I'll keep correcting and I won't quit.

I'm using the too-oo-ools
that helps the reader, too. And,
they're called conventions! Ooh, Ooh, Ooh!
