

# DEPTH OF KNOWLEDGE

All levels of Bloom's occur in DOK levels 1-3

## DOK 1: Recall % Reproduction

What is a chip?  
Describe how a chocolate chip cookie might taste.  
What does a chocolate chip cookie look like?  
How would I distinguish between the chip and cookie?

## DOK 2: Skills & Concepts: Baking is a skill that goes with cookies

What are the ingredients in a chocolate chip cookie?  
How do you bake a chocolate chip cookie?  
How do you follow a recipe?

## DOK 3: Strategic Thinking/Reasoning: Mess with the skill

How do I bake a chocolate chip cookie at a higher altitude?  
How do I bake a chocolate chip cookie without all the ingredients?  
How do I bake chocolate chip cookies when I double or halve the recipe?  
How do I bake chocolate chip cookies when my oven is broken?

## DOK 4: Extended Thinking

How could I design a healthier cookie?

How do I bake a turkey?

How do I bake two turkeys simultaneously at a higher altitude?

Level 4 isn't harder
