

Trait of Voice—

Sing to Black Eyed Peas' "I Gotta' Feeling"

I gotta' feeling.
And I'll write that I feel so happy.
And I'll write that I feel so lonely.
And I'll write that I feel so grumpy.

I'm overjoyed!
So that's my voice.
I feel annoyed!
And that's my voice.
Go out and write it.
Like, oh my voice!
Your words will show it.
The tone's your choice.

'Cause I gotta' feeling.
Woo-hoo!
